

MASTER SUPPLY AGREEMENT

Contract ID: CTR-1032

Effective Date: 1 January 2026

Expiration Date: 31 December 2027

Supplier: ACME Corporation (Supplier ID SUP-001)

Buyer: Northstar Manufacturing Group (synthetic)

1. Scope

ACME Corporation shall supply Product X (PRD-X) and Product Z (PRD-Z) to Northstar Manufacturing Group under the commercial terms of this agreement.

2. Pricing and Ordering

The agreed reference unit price for Product X is USD 125.00 with a minimum order quantity of 50 units. Product pricing may be reviewed annually but changes require written approval.

3. Supplier Obligations

ACME Corporation shall deliver covered products within 15 business days of an accepted purchase order. ACME must provide a quarterly service performance report. Invoices must reference CTR-1032 and the applicable purchase order.

4. Payment

Northstar will pay valid and undisputed invoices on Net 30 terms. Payment obligations begin after receipt of a valid invoice containing the contract and purchase-order references.

Schedule A - Covered Products

Product X | PRD-X | Industrial Sensor | Preferred Supplier: ACME Corporation

Product Z | PRD-Z | Edge Gateway | Preferred Supplier: ACME Corporation

Evidence Note

This is synthetic POC test data. ACME Corporation, ACME Corp, ACME Co., and ACME are intentionally used as aliases across fixtures to test canonical entity resolution.
